ELECTION BALLOT COUNT CHANGE OF DATE

The California Area Local Election Committee has changed the Ballot count that was originally set to take place on Friday, April 24, 2020 at 11am.

We have determined the post office is delaying the mail, due to the Covid-19 virus, and it appears the ballots are not getting to the members in a time allotted for return and to be counted by AAA.

Because of the great number of Ballots not received by members and the fact that duplicates are still being requested. All Ballots must be received by AAA at 8:00 am, Friday, May 1, 2020.

The counting of ballots will now take place on **Friday, May 1, 2020**, at the Holiday Inn Diamond Bar, Ca. **via ZOOM Video conference as planned.**

We appreciate your understanding in this situation and apologize for any inconvenience.

Thank you.
